Bob – Here is a draft of one of the two consent for access documents that will accompany the letter to Hennis. This document relates to Gladstone. See Richard's note below regarding the status of the consent for access to the Gold King and other properties.

Thanks for coordinating OGC's review on this,

Suzanne

Suzanne – Here is the draft consent for the Gladstone property. I have not drafted the one for the other properties yet, I was hoping to hear from Steve on the description of activities to include in that form. I don't know if I will hear from Steve before Monday.
